

Are you a web-designer?  
Are you looking for work for the  
rest of FY16?

# Web-Designer Needed!

## Criteria:

- Work with team members to design and maintain web-pages and web-based solutions to include adding/modifying basic code
- Design, develop, document, and test new and existing Web pages and services
- Familiarity with html, CSS, and web-page software (such as WordPress, Dreamweaver and FrontPage) and/or hosted sites with proprietary software
- This is an ADOS position, only members of the CONG are eligible.

**Interested in this position with the CONG Family Program Office? Contact Charlene Shields at 720-250-1190.**
