

The Free Market is a grocery store with no cash registers. As you arrive, you will sign in and receive a number. When it is your turn to shop, a volunteer accompanies you through the Market where you choose the food that will best meet your needs.

Please give us a call or come by the building during market shopping hours to experience it for yourself.

Please call 720-281-9735 before your first visit to check that your address is within our areas of service. Leave a message and someone will get back to you.

What to expect:

- On your first visit, we will verify that you live within our area of service.
- On your second visit, you will receive some paperwork to take home and fill out.
- On your third visit, you will return the paperwork and provide proof of residency (lease or current utility bill) and ID. A staff member or volunteer will conduct a brief interview with you to determine the number of visits you will be able to make to the Market per month.

Regular Market Hours:

1st and 3rd Saturdays of the month from 9:00AM - 1:00PM

Policy for Children:

Children under 16 years of age are not allowed to shop with you. Children under 10 years old must be supervised at all times and are not permitted to sit in the lobby by themselves.
