

## FALL 2018 Cyber Soldier Scholarship Announcement

College of Computer & Information Science is announcing the public/private partnership (P3) providing scholarships to reservists and national guard.

### Application deadline February 1, 2018

As a Center for Academic Excellence in Computer Defense Education, Regis University participates in conjunction with the DoD to build a pathway to careers in cyber security.

#### Scholarship students receive:

- Full time tuition, including books and lab fees
- Yearly stipend
- Computer

#### Application Information

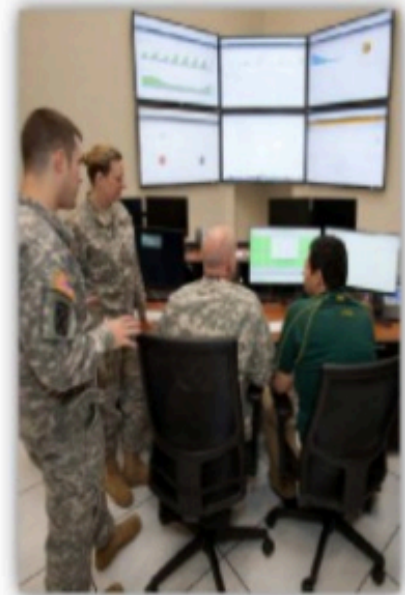

Scholarship information and application can be downloaded at <http://www.regis.edu/CCIS/COFR-CIAS.aspx>

#### Tips for Submission

- Application package has long lead times— start early.
- Rising Junior and Senior undergraduates and Master's degree students who are attending or accepted for enrollment to Regis University may compete for the scholarship.
- Recipients must be current reservists or national guard members. Must agree to accept a federal appointment for a period of service equivalent to each year of scholarship received.
